RE: Enrichment Fair Y7 and Y8

Dear Parent/Carer,

The purpose of enrichment is an opportunity to develop soft skills and take part in social activities for enjoyment. Enrichment also extends both learning and character further. It has been proven that students who take part in enrichment and out of hours extra-curricular activities make more progress across the entire curriculum.

Your child will be taking part in an enrichment fair on Monday 2nd October. At this event they will find out about the clubs on offer to attend at break-times or after school. They will bring fliers home about the clubs they have signed up to.

Please encourage your child to take part in as many as possible.

We also understand that for some families it can be challenge to stay after school which is why we have break time clubs on offer too and activities to complete in the enrichment guide.

If your child completes over 12 clubs and activities from the booklet this academic year they will achieve their gold pledge badge at the end of the academic year.

Please find the attached timetable of the clubs on offer. The extra-curricular clubs start 9th October 2023.

Yours Faithfully,

Miss G. Lowe

(Assistant Headteacher)
